National Agricultural Higher Education Project
Terms of Reference for Consultant (Social Safeguard)

1. BACKGROUND

The Govt. of India (GOI) has received financing in the amount of US\$ 82.5 million from the International Bank for Reconstruction and Development (IBRD) for funding the National Agricultural Higher Education Project (NAHEP) of the Indian Council of Agricultural Research (ICAR). The total cost of the project is estimated at US \$ 165 million. It is proposed to apply part of the proceeds for eligible payments towards Consultancy Services for Social Safeguard Specialist to be hired for providing support to the Project Implementation Unit (PIU) of the NAHEP, ICAR.

NAHEP will support the education development of Agricultural Universities (AUs) including State Agricultural Universities, Central Agricultural Universities and Central Universities with Agriculture faculty, Deemed-to-be Universities and ICAR. Objective of the NAHEP is to further improve policy, quality assurance through accreditation, common academic regulations and governance, effective curricula delivery systems, improvement of faculty competence, student development, attracting talented students, IT support and up-gradation of infrastructure and facilities in enabling the system to catch up nationally and internationally.

This programme is envisaged to ensure accountability and to bring about reforms through planning, execution, monitoring and evaluation of education related activities in AUs and to enhance their visibility. The NAHEP has three major Components:

Component 1: Support to Agricultural Universities.

This component has three sub-components:

Sub-component 1A: Investments toward 21st Century Agricultural Universities

Sub-component 1B: Investments in Centres for Advanced Agricultural Science and Technology

Sub-component 1C: ICAR innovation grants to AUs

Component 2: Investments in ICAR for Leadership in Agricultural Higher Education. This component will have the following sub-component:

Sub-component 2A: Investments in ICAR to support excellence in AUs

Component 3: Project Implementation Unit: The objective of this component is to administer, supervise, monitor and evaluate overall project implementation. Whole activities of the project would be managed by a central Project Implementation Unit (PIU) which is established at the Education Division of ICAR. The Project Implementation Unit (PIU) is headed by the National Director (ND), who is responsible for the coordination and facilitation of implementation of the entire project under the direction and supervision of the PMC. The PIU includes a Project Director, and three National Coordinators (NCs), one for each Component. The PIU also comprises expertise in Administration, Finance, Procurement, M&E, Management Information Systems (MIS), Learning and Capacity Building (L&CB) and Social/ Environmental Safeguard aspects. The overall project also proposes to monitor carefully and report on the impact of project interventions on vulnerable groups, on a regular and timely basis so that corrective actions can be taken. Accordingly, an Equity Action Plan (EAP)/ Indigenous Peoples Policy Framework (IPPF) has been prepared to address the issues of gender equality and social inclusion, with special attention to the needs of the ST and SC students and faculty members. The emphasis on participating agricultural universities will have a positive impact on equity.

To meet the objectives, and to ensure effective implementation of EAP adopting safeguards and approach, PIU-NAHEP is recruiting a Social Safeguard Specialist to be a part of the Project Implementation Unit (PIU) to provide support in meeting the project's agenda.
