

# Use of Fire Extinguisher at Workplace

**P**ull  
Pull the pin  
(or other motion) to  
unlock the extinguisher

**A**im  
Aim at the base  
(bottom) of the fire and stand  
6-10 feet away

**S**queeze  
Squeeze the  
lever to discharge the  
agent

**S**weep  
Sweep the spray  
from left to right until the  
flames are totally extinguished
