AIMS AND OBJECTIVES OF THE CONFERENCE

The conference will provide a platform to researchers, scientists, academicians, industry representatives, medical doctors, veterinarians, social scientists and policy makers to discuss coronavirus research and policies surrounding the COVID-19 pandemic in the Indian subcontinent. The conference further aims to develop a network of coronavirus researchers (animal and human coronaviruses), industry partners and government bodies in the Indian subcontinent to build an evidence-based roadmap for ONE-HEALTH, ensure longevity of coronavirus research, identify knowledge gaps to better combat future emerging coronaviruses.

CONFERENCE THEMES

- One Health and Zoonoses
- Surveillance; Detection and Characterisation
- Countermeasures and Interventions
- Behaviour and Social Policy
- SARS-CoV3 and the Future

CALL FOR ABSTRACTS

Abstracts are being currently accepted for oral and poster presentation. Abstracts may be submitted by scanning the QR code. Abstracts should not exceed 300 words and should contain the following sections: aim, methods, results and conclusions. Graphics will not be accepted. A maximum of two abstracts from one presenting author will be considered. The deadline for submission of abstracts is 25th April, 2022. We are awarding up to ten travel grants for ten best abstracts.
