About the programme

The International Fisheries Congress & Expo 2024 (IFC 2024) is being jointly organized by Kerala University of Fisheries and Ocean Studies (KUFOS) and College of Fisheries Panangad Alumni Association (COFPAA) on 12-14 January, 2024 at KUFOS, Panangad, Kochi, India. The IFC 2024 is a great opportunity to learn the latest advances in fisheries, aquaculture and allied domains, network with experts from around the world, and share your own research and experiences. The Congress will feature invited talks from eminent scholars, scientific sessions, panel discussions, and poster presentations on a wide range of topics related to fisheries and aquaculture. It brings together experts, researchers, managers, fisheries industries and entrepreneurs, to exchange knowledge, explore innovative solutions, and ensure a sustainable future for enhancing fisheries and aquaculture productions aligning with the principles of SDGs. The event offers a chance for the student community to showcase their research findings, with a significant number of awards available to recognize their research achievements.
