Welcome Message

“The greatness of a nation and its moral progress can be judged by the way its animals are treated”

Mahatma Gandhi

Dear Students

It's my great pleasure to congratulate and welcome you to the Veterinary profession and our university. The College of Veterinary Science, Guru Angad Dev Veterinary & Animal Sciences University, Ludhiana is empowered with excellent teachers and staff, culture of mentorship; and well equipped teaching infrastructure. The College is committed to continue its efforts in excellence in the profession and look forward to your participation in that objective. In due time course you will find that we care deeply about the success and well-being of every one of you. I want to encourage you to take advantage of all of the opportunities we offer you and to immerse yourself in the veterinary community. I shall advise you to make new friends, understand the cultural diversity of India, learn about the history of your college, spend time and

discuss your doubts with your advisors - as these things will last for a lifetime. The next five and a half years are going to be challenging and exciting and if all things go according to plan, you will graduate as full-fledged veterinarians. You will have the opportunity to impact and help countless people and animals, both locally and globally, throughout your career as a veterinarian.

Best Wishes...

Dr. Inderjeet Singh

Vice Chancellor

Guru Angad Dev Veterinary and
Animal Sciences University

Welcome Note

“Personally, I have always felt that the best doctor in the world is the Veterinarian. He can’t ask his patients what is the matter...he’s just got to know”

Will Rogers

Hello Students of First Professional Year of College of Veterinary Science, Guru Angad Dev Veterinary and Animal Sciences University, Ludhiana. We all have been working really hard on how to orient you to your new college, course curriculum, hostels and to make you feel lucky that you got admission in one of the best college for veterinary education in India. This orientation handbook will guide you to start things off on the right foot here at the College of Veterinary Science, Ludhiana.

This handbook will serve as your guide for the preliminary weeks at the College of Veterinary Science, so it’s definitely worth to read this handbook carefully to gain knowledge about your professional degree course and all the rules and regulations which you need to follow while studying in this prestigious institute. Apart from rules and regulations this handbook also guides you about the various co-curricular activities in which you can indulge while your degree course that will help in your overall personality building. Everything in this guide will prove to be useful for you leading up to the College of Veterinary Science, and also contains resources that are useful in general to know about the University campus..

I, again, am happy to welcome you to the College of Veterinary Science, a community where everyone

has different backgrounds and aspirations, and we all share the same passion for veterinary science that helps to bring us all together. I would like to congratulate that you’ve made it to this college and you all belong here. The college is blessed with a tremendous applicant pool, excellent teachers and staff, and a culture of mentorship; you will find we care deeply about the success and well-being of each and every one of you.

The five and a half years you will spend here will fly by, so try to avail the opportunities that the college offers, and make sure you take the time to connect with your fellow student veterinarians and teachers, because once you graduate you will all be colleagues and the memories you make here will keep you connected forever. I hope you shall also inculcate the quality of respecting your seniors and fellow peers that will form great never ending bonds which you will cherish whole your life. We all here want nothing but success for you. I am looking forward to getting to know you over the next five and a half years, so please do not hesitate to be in touch with me any time.

I wish you a successful journey ahead!

Dr. Sarvpreet Singh Ghuman
Dean, College of Veterinary Science
Ludhiana

The Veterinarian's Oath

Being admitted to the profession of veterinary medicine, I solemnly swear to use my scientific knowledge and skills for the benefit of society through the protection of animal health and welfare, the prevention and relief of animal suffering, the conservation of animal resources, the promotion of public health, and the advancement of medical knowledge.

I will practice my profession conscientiously, with dignity, and in keeping with the principles of veterinary medical ethics.

I accept as a lifelong obligation the continual improvement of my professional knowledge and competence.

GADVASU LIBRARY

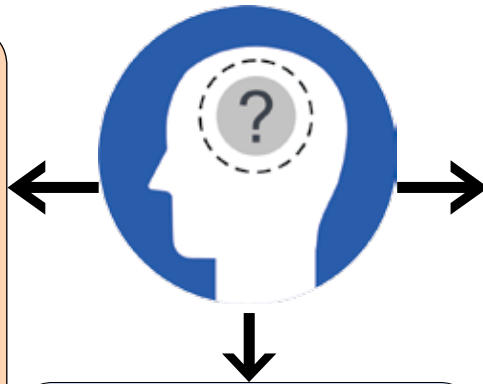

ACHIEVEMENT IS CONNECTED WITH ACTION AT EACH STEP

Veterinary Curriculum includes following two components:

- a) **Core Courses**
- b) **Internship including Entrepreneurial Training**

**What is professional year?
Is professional year means
one year or more than that
sometimes?**

'Professional year' means a period consisting of minimum two hundred and ten (210) instructional days, excluding annual examination days except fourth professional year which consists of 315 instructional days.

What are the credit hours?

Credit hours means the weekly unit of work recognized for any subject as per the course catalogue. A lecture class of one hour per week shall count as one credit. A practical class of two hour, in a course, a working period of three hour in Clinical Complex/Livestock Farm Complex (LFC) per week shall count as one credit.

What does this 4+3 mean?

A credit hour of 4+3 means there will be four theory classes and three practical classes per week.

JOURNEY TO BECOME A VET

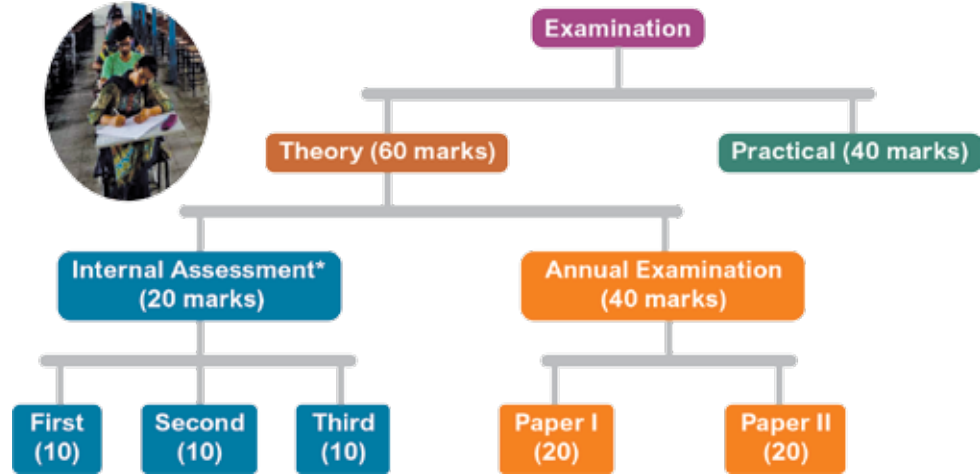

Grading System

- ❁ **Grade Point (GP):** Total marks obtained in a subject out of 100 divided by 10.
- ❁ **Credit Point (CP):** Grade Point multiplied by credit hours.
- ❁ **Total Credit Points:** Sum of the credit points secured.
- ❁ **Grade Point Average:** Sum of total credit points earned divided by sum of credit hours.
- ❁ **Overall Grade Point Average (OGPA):** Sum of grand total of credit points earned divided by grand sum of credit hours.

OGPA & Division of Ranking

- ❁ 8.000 : 1st Division (Distinction)
- ❁ 7.000 - 7.999 : 1st Division
- ❁ 6.000 - 6.999 : 2nd Division
- ❁ 5.000 - 5.999 : Pass

ASSESSMENT PATTERN

**Best of two out of three Internal Assessment*

Let's understand it by an example

Mr. X got 82 marks out of 100 in Anatomy, 84 in LPM & 86 in Physiology.

His GP of each subject & OGPA is

Anatomy (4+3=7): GP is $82/10 = 8.2$; CP = $8.2 \times 7 = 57.4$

LPM (4+2=6) : GP is $84/10 = 8.4$; CP = $8.4 \times 6 = 50.4$

Physiology (4+1=5) : GP is $86/10 = 8.6$; CP = $8.6 \times 5 = 43$

Thus, OGPA of Mr. X = $57.4 + 50.4 + 43 / 7 + 6 + 5 = 150.8 / 18 = 8.38$

**Purpose
of
examination**

For academic assessment as well as to assess whether the student has been able to achieve a level of competence

**Passing
criteria**

Students are required to secure a minimum of 50% marks, in theory as well as practical exam.

**Weightage
of theory and
practical**

Weightage of theory and practical shall be in the ratio of 60:40, respectively.

**Pattern of
question
paper**

Objective and subjective questions shall be in the ratio of 40:60 respectively in Internal and Annual examinations.

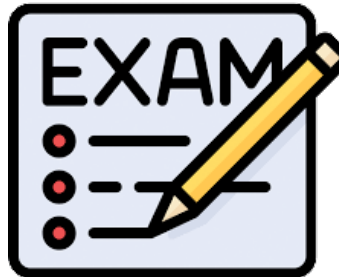

**Compartment
examination**

Student failing in maximum two subjects is eligible for compartment exam conducted within 20 calendar days of subsequent year registration

**Syllabus
for
compartment**

Annual component of both theory & practical of failed subject(s). Marks obtained in internal assessment (theory) are also considered.

Queries Regarding Examination

You Get, For What You Work Hard

Your hard work does not go unrewarded. Hard work really pays rich dividends. Scholarships/merit certificates/medals act as a reward to student's academic achievement and educational programs. Furthermore, these indicate recognition for effort and success, act as motivational force, encourages participation and a golden opportunity for genuine aspirants.

Scope of Scholarships

- ❖ University Scholarships are awarded to the meritorious students on the basis of rank/ marks obtained in the qualifying test/ examination.
- ❖ VCI merit scholarships for under-graduate programmes as per eligibility.
- ❖ Dr. G. S. Khush Scholarship for students of rural background.

Scholarships for sports persons

- ❖ Sports Scholarships in four major games (viz., Hockey, Football, Athletics and Cricket) and four for the minor games.
- ❖ One seat for sports person is reserved in post-graduation.

Gold Medals

Merit Certificates

- ❖ Merit Certificates are awarded to the students who achieve an OCPA/OGPA of 8.00 or more (out of 10.00) at the end of B.V.Sc. & A.H degree programme.

DISCIPLINE IS VITAL FOR TRIUMPH

“Rules and regulations in any institution are important, as these enable discipline for students, make the institution orderly and maintain the quality of the institute”

- Dean of the college can expel or rusticate a student for indiscipline for 2-4 semesters.
- Dean can revoke decision within 15 days.

- Student will not be on rolls & no fee will be charged during rustication.
- Student can only attend the class after rustication period is over.

- The Vice-Chancellor has the authority to revise the order of rustication passed by Dean of the college.

- Student expelled from college shall not be allowed to seek fresh admission into same or another college of the university without sanction of the Academic Council.

- Student shall be allowed to take readmission only after the expiry of two academic years which excludes the year of rustication.

RAGGING SUMMONS PUNISHMENT

What is ragging?

Any vulgar conduct, that is either conducted through spoken words or as an act which is in effect during teasing or mistreating the junior or fresher is known as ragging.

If found guilty, it will lead to expulsion from the institute or registration of F.I.R. under provisions of the Indian Penal Code.

What are various aspects of Ragging?

Ragging has several aspects including psychological, social, political, economic, cultural and academic dimensions. It means that ragging is not always physical but mental too.

Every student and his/her parents/guardian are supposed to submit an affidavit that their ward will desist from ragging in any form.

SAY NO TO RAGGING

Whom should I report if I come across anything mentioned above?

The college anti-ragging committees and squads have been constituted at the college level to keep a check on the incidents of ragging.

What penalty will be imposed if I found indulged in ragging any student?

Any student found indulging in the act of ragging will be strictly dealt with according to the directions given by the Hon'ble Supreme Court of India.
