

**Progress Report**  
**(May, 2021 to September, 2021)**  
**for**  
**Institutional Development Plan for**  
**Improved Learning Outcome, Skill**  
**and Entrepreneurship at GADVASU**  
**Ludhiana**

**Submitted to PIU – NAHEP,**  
**ICAR**

**September, 2021**

**Project Title: Institutional Development Plan for Improved Learning Outcome, Skill and Entrepreneurship at GADVASU Ludhiana**

**Project profile:**

- a. Component: 1a
- b. Sub-project title: Institutional Development Plan

**Project Objectives:**

Objective 1: Strengthening academic programmes for producing industry and market-ready professionals and improving learning outcomes.

Objective 2. Harnessing on faculty and student development programmes for enhancing competence and diversity.

Objective 3. To develop innovative and sustainable revenue generation models.

**Achievements of Guru Angad Dev Veterinary and Animal Sciences University, Ludhiana**

The major achievements/activities included:

- Training and capacity building of students through organization of various webinars and interactive sessions in online mode.
- Industry Academic Interface sessions on Entrepreneurship Development
- Improvement of campus social amenities and student wellbeing.

**(a) Strengthening of Teaching infrastructure:**

- Precision Dairy Farming System [Cow scout S-neck (quantity:100pc)]: -
  - For application of artificial intelligence as educational tool to aid teaching in the field of monitoring of animal health
- Language lab software for 50 consoles: -
  - To improve the language proficiency of the students.
- Books and journals purchased for undergraduate students to strengthen their academic curriculum.

**Training and Capacity Building:** A number of webinars and interactive sessions involving UG students and faculty were conducted for all the constituent colleges. Apart from that interactive sessions with many entrepreneurs had been arranged through online and offline mode. Laptops purchased under IDP in financial year 2020-21 were being utilized for conduction of online classes for UG students of GADVASU.

**Seminars, webinars and workshops:** Key thematic areas of webinars organized under IDP were career options after graduation, Entrepreneurship Development and capacity building for dairy science students for enhancement of entrepreneurial skills, Entrepreneurship Development and capacity building for fisheries sector, Soft skills required by veterinary graduates to be successful. etc. (details are given in table).

**Industry Interactions:** A total of 4 Industry Academic Interface sessions on Entrepreneurship Development were organized during May 2021 to August 2021 and students along with faculty members interacted with industrialists and entrepreneurs. Two MOUs has been signed with IIT Ropar and NABARD.

Strengthening Alumni network through Alumni meets

(a) Improving of campus social amenities and student wellbeing:

- Gymnasium has been made operational at different colleges for students. Passes has been provided for effective utilization of equipment's.
- Project staff: During April to September, 2021; one SRF (Dr. Komalpreet Kaur; Doj: 6<sup>th</sup> September 2021) and one field assistant (Ms. Monika; DoJ 6th September) were recruited. The number of contractual staffs recruited in the project are as per sanctioned strength.

b) Major Innovations during the period

- A training on Molecular Techniques in Pathology was organized and successfully conducted by IDP cell from 17-21 May 2021 for under-graduate students, wherein students were made familiar with molecular techniques used in Veterinary Pathology.
- Guru Angad Dev Veterinary and Animal Sciences University organized online Training Programme on “Animal Welfare and Equine behavior” from 25th-28thMay 2021 for developing the understanding on Animal welfare, equine behavior and compassionate

handling among Vet students under Institutional Development Plan (IDP) under NAHEP in coordination with Brooke Hospital for Animals (India). This training enhanced clinical competency of Veterinary students about equine practice, their knowledge about equine behavior interpretation, compassionate handling of equine and welfare issue of equine.

- An on-line training programme on “Poultry Diseases Diagnosis” was conducted by the Department of Veterinary Pathology under an initiative of NAHEP, ICAR in association with College of Veterinary Science, GADVASU. The training programme was of 5-day long duration from 7<sup>th</sup> June to 11<sup>th</sup> June, 2021. A total of 12 participants including faculty members and students across the various zones of our country took part in this training programme. The training extended a major impetus on practical aspects of managerial problem(s) leading to disease development and the various mitigation/preventive strategies to avoid disease scenario at farm levels.
- National Fish Farmer Day was conducted on 10 June 2021 to acknowledge the efforts of fish farmers towards ensuring food security.
- World Microbiome Day was celebrated on 28th June, 2021. The event comprised of a webinar on “Gut microbiota and its role in health and disease”. In addition to this an e-poster competition was also organized on theme “Role of Microbiome in Health and Sustainability” wherein 18 students participated in the competition. Judges from Dept. of Veterinary Microbiology evaluated the posters and the winners were facilitated.
- Faculty International Training Programme: To accomplish one of the major objectives “Harnessing on faculty and student development programme for enhancing competence and diversity” Selection of Faculty for International training has been for students and faculty has been done as per the directions of PIU. The aim is to improve the teaching and research skills in their respective area of research.
- Video Tutorials for UG Students have been made and uploaded on YOUTUBE Channel so that they might not miss their classroom learning in unprecedented situations like COVID-19. List of

- Video tutorial (01) developed so far under the IDP.

### Monitoring and Evaluation

All the activities carried out under IDP are monitored by concerned authority on frequent basis. Outcomes are evaluated regularly and further improvements are suggested on the basis of feedback received from beneficiaries. Project monitoring and Evaluation cell (PME) provides regular inputs for further improvement in the activities to be undertaken and progress is kept in tandem with set approved objectives and indicators.

### Progress of IDP project made during 2021-20

- One Senior Research fellow and one field assistant were recruited as per ICAR Norms and sanction letter received for project.
- Two MOUs has been signed with IIT Ropar and NABARD.
- The list of various seminars, workshops and interactive sessions conducted by different colleges of GADVASU during May 2021-August 2021 is presented as under:

S.No	Title of Activity	Category	Date	No. of participants
1	Staying Organized for Effective Learning	Webinar*	13 May 2021	227
2	Dairy Farming as A Viable Entrepreneurial Option	Academia-Industry Interface^	20 May 2021	19
3	Cow Conservation and Revenue Generation	Webinar^	21 May 2021	230

4	Fundamentals of Computer Memories	Webinar*	3 June 2021	54
5	Establishment of Mini Dairy Processing Plant: Start-Up Entrepreneurial Initiative	Academia-Industry Interface^	10 June 2021	37
6	Basic Engineering Properties of Dairy Products Important for Designing Processing Equipment's	Academia-Industry Interface	23 June 2021	29
7	Gut Microbiota and Its Role in Health and Disease	Webinar	28 June 2021	22
8	Fishpreneurship Development Skills For 'Aatmanirbhar Bharat'	Webinar^	1 July 2021	28
9	An Overview on Q Fever: Indian Perspective	Webinar	16 July 2021	82
10.	One Health Approach to Tackle Brucellosis	Webinar	20 July 2021	107
11	Dairying in India - Opportunities and Challenges	Webinar^	23 July 2021	82
12	Yes I Can- The Life Changing Words	Webinar*	29 July 2021	121
13	Entrepreneurial Opportunities for Vets	Webinar^	31 July 2021	61
14	Effective Communication Skills for The Professional and Personal Growth	Webinar*	5 Aug 2021	106
15	Attitude Determines Altitude	Webinar*	11 Aug 2021	26
16	Role of Soft Skills and Effective Communication for Successful Entrepreneurship	Webinar*	16 Aug 2021	50

## **Plan ahead for 2021-22**

- Skill Development for students
  - ✓ Student Entrepreneurship trainings
  - ✓ Student Skill Development Programme
  - ✓ Remedial courses for weaker section students
  - ✓ Certificate courses
  - ✓ Student short duration Internship
  - ✓ Student orientation courses
  - ✓ Artificial intelligence training of students
- Students' exposure visits and trainings
  - ✓ Students will be sent to various international universities and institutes of repute for academic exposure.
  - ✓ Exposure visit of students to Industries and plants
- Faculty upgradation
  - ✓ International level training for faculty to enhance efficiency and competence
- Visiting Professorship/Adjunct faculty/Guest faculty
- Linkages with industries
  - ✓ Industry experts/faculty for workshops and lectures
  - ✓ Industry-Academia interface
  - ✓ MoUs and technology transfers

## 1. Output-Outcome Monitoring

S.No.	Particulars	May'21 to September'21		
		Plan	Achievement	Remarks (Action plan for areas where improvement is needed)
1.	Number of new facilitative units established to enable academic and research infrastructure (IIC- Industry Institution Interaction Cell / Start up cell / incubation cell / experiential learning unit / placement cell etc.)	0	0	
2.	Number of pilot courses added / upgraded on communication skills, entrepreneurial skills, information processing, creative and innovative thinking, leadership skills, industry-oriented courses etc.	2	0	
3.	Additional revenue generated through institutional activities with industries in INR lakhs	0	0	
4.	Revenue generated through public usage of infrastructure for academic activities in INR lakhs	0	0	
5.	Number of MoUs signed with industry for knowledge exchange programs/ internships / short term training programs etc.	06	02	
6.	Improved AU revenue generation (% change in internal revenue of AU)	-	-	
7.	No. of International trainings undertaken by faculties under IDP component	Under Progress		
8.	Number of national trainings undertaken by faculties under IDP component	0	0	NA

9.	No. of International trainings undertaken by students under IDP comp Number of students:20	20 students	0	NA
10.	Number of national trainings undertaken by students under IDP comp	0	0	NA
11.	No. of direct beneficiaries of the project	1300	2059	•100 % of plan/target was achieved, however during period of lockdown, some of activities were stalled.
12.	No. of female beneficiaries out of total direct beneficiaries	-	838	--

## 2. Input and Activity Monitoring

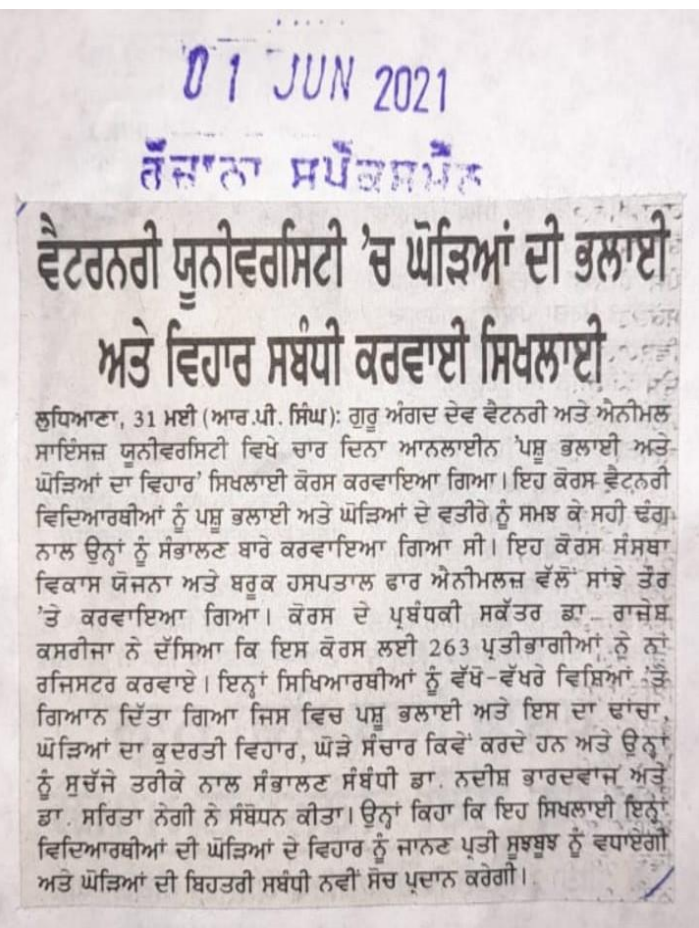

Input/ Activity Indicator	Sub-Head/ Category	Expenditure/ Input in INR lakhs		Justification
		Planned	Utilized	
Goods and Equipment	Equipment, Plant & Machinery	Nil	Nil	
	Office equipment	Completed in the Financial Year 2020-21		
	Laboratory equipment	125.13137	Under Implementation. Supply order issued.	<p>1. Cow scout S-neck 100pc with 2 no. antenna and accessories with installation, demonstration and training; 3-year onsite warranty; Hands-on training and advisory to faculty members during the first six months after installation as and when needed: For application of artificial intelligence as educational tool to aid teaching and research activities.</p> <p>2. Language lab software for 50 consoles, on-site 1 year's warranty and upgradation of software; Complete on-site installation, demonstration and training: To improve the language proficiency of the students.</p>

	Furniture & fixtures	Completed in the Financial Year 2020-21		
	Computers and Peripherals	Completed in the Financial Year 2020-21		
	Books and Journals	25.00	Under Implementation. Supply order issued.	These books will help in facilitating the teaching primarily practicals of various undergraduate courses.
<b>Civil works</b>	Minor repair and renovation work	Completed in the Financial Year 2020-21		
<b>Human Capacity Building</b>	National level training	Nil	Nil	
	International level training	40.00	0.00	Not undertaken due to COVID-19
	Short visit/seminars	8.00	0.00	Not undertaken due to COVID-19
	Meetings and workshops	3.80387	0.00	Not undertaken due to COVID-19
<b>Consultancy</b>	National level consultancies	Nil	Nil	
<b>Recurrent Cost / Miscellaneous</b>	Travel	1.34273	0.00	Not undertaken due to COVID-19
	Contractual services	46.95758	12.73382	Salary of Contractual Staff under IDP
	Operational costs	118.14487	0.00	
	Institutional charges	2.74	0.00	
<b>Total</b>		<b>371.1204</b>	<b>12.73382</b>	

### 3. Case studies/ success stories

#### Major category: Media coverage of project activities and achievements

- a. Print/Press release
- b. IDP sponsored National Training on
  - (i) Molecular Techniques in Pathology
  - (ii) Online Training on Animal Welfare and Equine Behavior
  - (iii) Poultry Disease Diagnosis

- Guru Angad Dev Veterinary and Animal Sciences University organized online Training Programme on “Animal Welfare and Equine behavior” from 25th-28thMay 2021 for developing the understanding on Animal welfare, equine behavior and compassionate handling among Vet students under Institutional Development Plan (IDP) under NAHEP in coordination with Brooke Hospital for Animals (India). Dr. Rajesh Kasrija, organizing secretary, apprised that a total of 263 participants registered for this 4-day training programme. The experts for this training were Dr Nidhish Bhardwaj, Head of Animal Health & Welfare, Brooke India and Dr Sarita Negi, Veterinary Officer Animal Welfare and Training, Brooke India. The technical lectures on Animal Welfare & its frameworks; Natural Behavior of equine; How equines communicate; Welfare Assessment and welfare issues of working equines and Compassionate Handling.

- An on-line training programme on “Poultry Diseases Diagnosis” was conducted by the Department of Veterinary Pathology under an initiative of NAHEP, ICAR in association with College of Veterinary Science, GADVASU. The training programme was of 5-day long duration from 7<sup>th</sup> June to 11<sup>th</sup> June, 2021. A total of 12 participants including faculty members and students across the various zones of our country took part in this training programme.

The training extended a major impetus on practical aspects of managerial problem(s) leading to disease development and the various mitigation/preventive strategies to avoid disease scenario at farm levels. Dr. Shakti Kant Dash, Assistant Professor, Department of Livestock Farm, GADVASU, elaborated various points that essentially triggers disease occurrence at farm level with their possible origins and genesis. The conduct of post mortem examination of poultry birds along with identification of important gross lesions against various commonly noticed diseases was discussed. Additionally, an exclusive focus was also placed on special pathology of various viral and bacterial diseases of poultry along with parasitic diseases to achieve greater in depth knowledge for beginners and students.

#### **4. Photographs of activities: Attached in the last.**

During this period (May 2021 to August 2021), a number of webinars involving experts from industries, academia and various entrepreneurs, were conducted for students in online mode. Some of the activities could not be initiated as students have not joined their regular classes due to COVID crisis. However, some unique initiatives have been taken to motivate them like poster competitions etc.

### Schedule and Topics

On  
Molecular Techniques in Pathology

S.N	Topics	Date and Time	Teachers (GADVASU)
1.	Brief overview of the training and general introduction to molecular techniques.	17 <sup>th</sup> May , 2021 2:45-3:00 PM	Dr. B.S. Sandhu
2.	Sample collections and Nucleic acid isolation.	17 <sup>th</sup> May, 2021 3:00- 4:00 PM	Dr. Omer Khalil Baba Dr. Kuldip Gupta
3.	PCR and Real time PCR.	18 <sup>th</sup> May, 2021 3:00- 4:00PM	Dr. L.Geeta Devi Dr. N.D. Singh
4.	<i>in-situ</i> hybridization and <i>in-Situ</i> PCR techniques.	19 <sup>th</sup> May, 2021 3:00- 4:00PM	Dr. Sidhartha Deshmukh Dr. A.P.S. Brar
5.	Immuno-molecular techniques in pathology (ELISPOT Assay and ELISA).	20 <sup>th</sup> May, 2021 3:00- 3.30PM	Dr. Paviter Kaur
	Use of Genomics in Pathology (Understanding disease progression and diagnosis).	20 <sup>th</sup> May, 2021 3:35 PM – 4:15 PM	Dr. Jaspreet Arora
6.	Molecular approaches in Rabies diagnosis.	21 <sup>st</sup> May, 2021 3:00- 4:00PM	Dr. C.K. Singh Dr. B.S. Sandhu
7.	Concluding remarks by HOD.	21 <sup>st</sup> May, 2021 4:00- 4:10PM

**Mr. Arindam Deb**  
Assistant Professor (Marketing)  
Birla Institute of Management and Technology  
Greater Noida

**About the speaker**

- Mr. Arindam Deb has done his bachelor in Commerce with honors in Management from Assam University, Silchar in 2000. PG diploma in Business Management (Retail Management) from Birla Institute of Management and Technology, New Delhi in 2004. Masters in Business Administration from Sikkim Manipal University in 2016.
- Presently working with Birla Institute of Management Technology (BIMTECH), Greater Noida as Asst Professor – Marketing (Retail Management, Brand Management, Luxury Management, Customer Relationship Management, Sales and Distribution Management, Retail Entrepreneurship).
- Over 21 of experience in Teaching, Academic Institute Building, Corporate Liaisoning for students, MDP, placement, internship and live project.
- Early adaptor / implementer of AACSB guideline on Course Learning Goals and Course Intended Learning Outcome at BIMTECH. Successfully implemented the impact measurement system by defined its rubrics.
- Regular Corporate Connect and creating opportunities for On the Job Training, Live Short Term Project and Internship for students. Organizing and participating various students interactions with industry domain experts practitioners.
