National Agricultural Higher Education Project
&
Animal Science Division of ICAR

A National level Hackathon on Precision and Economical Animal Farming

कृतज्ञ : कृषि तकनीक ज्ञान

Focus on learning, questioning and solving. When you learn, you get the wisdom to question; when you question you get out of the box innovative methods to solve problems; when you do that you grow, nation grows, planet prospers.

- Sh. Narendra Modi
Hon. Prime Minister of India

THEME

Applicants will be presenting a potential solution with animal science technologies, precision farming practices as an enabler for addressing the emerging challenges in their vicinity / localized areas / state/zone/national level specific. This event will invite and encourage applicants to come out with an innovative, out of box and disruptive solution by leveraging the application of technologies or practices in the field of animal sciences. The problem statement and solutions will be preferably on promoting 'Innovations for Precision and Economical Animal Farming'.

REGISTRATION STARTS

15th September, 2021
