Sir / Madam,

**Sub: SKLTSHU - College of Horticulture, Mojerla – NAHEP – IG - Success Stories of Entrepreneurship – Regarding.**

\*\*\*

Innovation Grants under NAHEP has been granted to SKLTSHU, College of Horticulture, Mojerla, with a budget outlay of Rs. 285 Lakhs for the period 2019-2022 and Dr (Mrs.) A.Girwani is the Principal Investigator of NAHEP( IG) project.

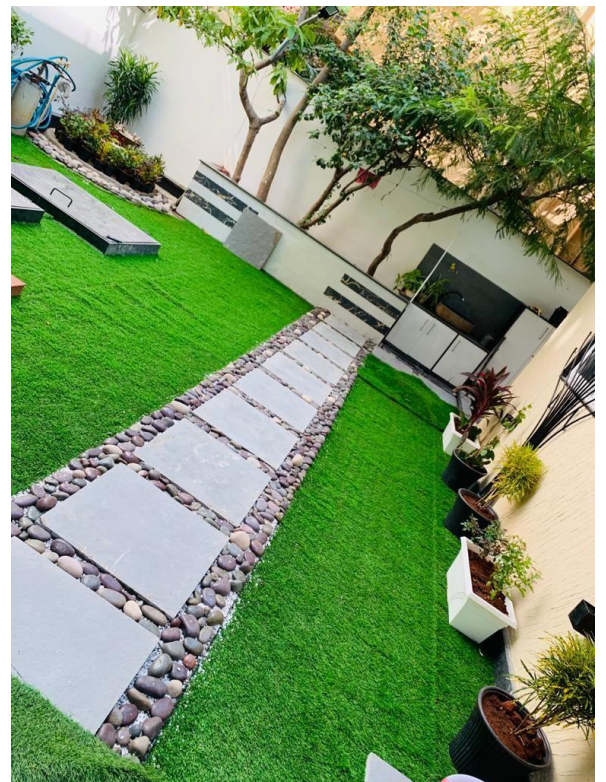

Under the able guidance of Dr. R.C. Agarwal, National Director, the grants under NAHEP have been helping to impart the entrepreneur skills and trained several horticultural graduates. Further the trainings imparted under this project helped in client specific problems solving abilities, sharpen innovative thinking and aimed to meet the challenges of agro-industries. Several students of 2018-19 have started their own firms with the encouragement able guide of National Director and Project staff of SKLTSHU.

One of the success stories is about Ms Jhansi Kunta who graduated from College of Horticulture, Mojerla-SKLTSHU during the year 2019-2020 and she has established a firm “**Serene Plantae**” which provides gardening, landscaping and miniature gifting services in Metropolitan city of Hyderabad. She has been trained in Entrepreneurship and personality development under project and under able guidance of the PI and staff of NAHEP today she is very confident and successful Entrepreneur in Landscape Industry where only few women are in this business. She has also employed several qualified technical staff in her gardening projects. She has also successfully completed number of landscape projects and known for providing quality customer services. We whole heartedly thanks to the Project Director, NAHEP who has helped several graduates of this University to develop interest in Horticulture Entrepreneurship.

Yours faithfully

**Principal Investigator (NAHEP – IG)**

**SUCCESS STORY OF MS. JHANSI KUNTA, ALUMINI OF COH, MOJERLA**

*Jhansi*
