ABOUT NAHEP

NAHEP has been formulated by ICAR with a total cost of US$ 365 million (INRpees 1108 crores at the exchange rate of Rs 64.75 = US$1) for five years starting from 2017-18. The project is proposed on 50:50 cost sharing basis between the World Bank and the Government of India. Implemented at the Education Division, ICAR, New Delhi. Overall, the project aims to develop resources and mechanisms for supporting infrastructure, faculty and student advancement, and provides a practical means for better governance and management of agricultural universities, so that a holistic model can be developed to raise the standards of current agriculture education system that promotes innate job and is entrepreneurship oriented and on par with the global agriculture education standards. The mandate of ICAR/NAHEP includes promotion and coordination of education in agriculture, animal husbandry, fisheries, forestry, horticulture and allied sciences in the country. ICAR is now pioneering upon an ambitious step in further strengthening the National Agricultural Education System in the country through National Agricultural Higher Education Project (NAHEP) with financial assistance of the World Bank by investing on infrastructure, competency and commitment of faculty, and attracting talented students to agriculture.
